

## Writing a Family and Personal Vision for 2022

**“Write the vision and make it plain** on tablets, **that he may run** who **reads it**. For the vision is yet for an appointed time, but at the end it will speak, and it will not lie. Though it tarries, wait for it, **because it will surely come**, it will not tarry.” Behold the proud, His soul is not upright in him; **but the just shall live by his faith**. Hab 2: 2-4

As we transition into 2022, I believe that it is important to prepare a personal vision for you and your family. It could be for yourself, if you are single, your family, your finances, your future, your ministry, or it may be something personal that you want to achieve! This year we changed the format to include:

**Family or Single goals** - What goals do you have for you, your family and or household? It consists of things that you want to accomplish for your household or as a family.

**Financial goals** - What goals do you have for yourself financially? It could be a better credit score, debt freedom, financial freedom or even better stewardship. It could be less spending in the world, and more sowing for the Kingdom of God. You may desire to become less materialistic and more Kingdom minded!

**Future goals** - What are you believing God for tomorrow? Next year? Or the next 2, 3, or 5 years? What are you planning and believing God for in the future?

**Ministry goals (if you serve or have one)** - What are you believing God for as it relates to your ministry? How can you expand it for the Kingdom of God? What do you want to do for the LORD? What do you want to do better as it relates to the Kingdom of God?

**Personal goals** could be endeavoring to go back to school, writing a book, buying a home, starting a business, expanding a business, or anything that you desire to see come to pass in your life!

The Bible says to write the vision and make it plain. Why? So, you can see it every day. Post it, put it on your phone, your back door, or wherever you can view it! Begin to believe it by faith, decree it and say it out of your mouth. Can you see yourself financially free, with your own business, going back to school, or in that new home? Whatever you are endeavoring to achieve!!! **Write the vision and make it plain in Jesus Name!**
